Description

Property Description: All tax lots are listed as 'Contributing' on the National Register of Historic Places, with The Frear building structure built in approx. 1900 as the noted structure. It also should be noted that the lot resides in the city's 'Resilient Waterfront' overlay and 'Historic District' overlay. Contact LBO regarding offering memorandum and to schedule all showings. All structures are structurally connected with some shared utility services to each other as well as a city owned portion of the block/structure. Contact LBO for full offering memorandum and additional information.
