Description

Property Description: Exceptional chance to secure ±1.82 acres along the Hudson River, featuring ±378 feet of premier waterfront frontage in the heart of Albany's revitalizing waterfront corridor. This strategically located property offers convenient access to I-787, I-87, and I-90, making it ideal for a wide range of redevelopment visions. The flexible zoning can accommodate multiple high value uses: Marina, Light Industrial, Entertainment, and Multi-Unit Residential Development up to 10 stories. It has operated as a marina with boat launch with 50 slips, shore power and upland services and with existing infrastructure in place, it can easily be reactivated as a marina or reimagined to maximize its waterfront potential.
