Position your business in one of the Capital Region's most accessible corridors - Just off of Wolf Road. Fully gut-renovated approximately 10 years ago, this property offers a rare full-building leasing opportunity in the Village of Colonie

The building is currently fully occupied, so showings will be coordinated around tenant's schedule - however, upon execution of a new lease, the existing tenant will vacate within 90 days. Ownership strongly prefers a full-building lease, providing a unique opportunity for a single user to secure complete control of the premises.
